Counsel for Applicant, who has been doing the trademark work for Applicant at Fulbright for a number of years, will be retiring from Fulbright at the end of this year and transition of the trademark work to another team within Fulbright is now in progress. Therefore, time will be needed by the new team to do the background work necessary to chart a course of action before an answer can be prepared, including time for exploring the possibility of an agreement with EMI (IP) Limited.

Respectfully submitted,

OCC Establishment
